

CHC50113 DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE

Superseded 19/07/2021
Release 4 - Effective 8/12/2015

This qualification reflects the role of early childhood educators who are responsible for designing and implementing curriculum in early childhood education and care services. In doing so they work to implement an approved learning framework within the requirements of the Education and Care Services National Regulations and the National Quality Standard.

Common learning outcomes achieved from the training

- Nurture the development of children
- Demonstrate best practice in childcare
- Create a learning environment in childcare
- Practice holistic childcare practices
- Develop a community within childcare practices
- Develop sustainable practices in childcare

Occupational titles

- Childhood education manager
- Outside school hours coordinator

National Institute of Training

National Institute of Training (NIOT) offers nationally recognised courses for a wide range of industry sectors.

We are dedicated to helping students achieve their goals, whether it be to start an exciting new career, build and develop their existing skills.

Our trainers are passionate about sharing their extensive experience, and are committed to delivering engaging and interesting classes to prepare students for successful careers.

When you choose National Institute of Training (NIOT) you are choosing a trusted, quality registered training organisation (RTO) that has the backing of our ASX listed parent company Ashley Services Group (ASX:ASH).
