

# TLI30319 CERTIFICATE III IN SUPPLY CHAIN OPERATIONS

Release Status: Superseded  
Release 2 - 21/11/2021

This is a general qualification for the Warehousing and Storage Industry. It involves a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, with some discretion and judgement in selecting equipment, services or contingency measures and within known time constraints.

## Common learning outcomes achieved from the training

- Organise the storage of stock
- Use quality improvement systems, tools and techniques
- Pick and despatch an order
- Estimate loads for transport or storage
- Move goods

## Occupation Titles

- Forklift Driver
- Truck Driver
- Logistics Officer
- Warehouse Operator

## Why NIOT?

National Institute of Training (NIOT) offers nationally recognised courses for a wide range of industry sectors.

We are dedicated to helping students achieve their goals, whether it be to start an exciting new career, build and develop their existing skills.

Our trainers are passionate about sharing their extensive experience, and are committed to delivering engaging and interesting classes to prepare students for successful careers.

When you choose National Institute of Training (NIOT) you are choosing a trusted, quality registered training organisation (RTO) that has the backing of our ASX listed parent company Ashley Services Group (ASX:ASH).
